Bogota, Florence, Smithfield and Zhuhai: COVID-19 Challenges for University Reopening and International Education Exchanges

10:00-11:00am, Thursday September 17 (U.S. EST)

How do universities in different countries reopen during COVID-19? What are the challenges and what practices can universities learn from each other? What is the future of international education exchanges?

Please join leaders from four university campuses on different continents to exchange ideas and discuss these important questions facing higher education institutions globally.
